Games will be two 40 minute halves with 10 minute halftime. In case of tie, regular MSHSAA overtime procedure will be played. The team listed first will be the home team and wear light uniforms. Every effort will be made to provide ball people, but each team should be prepared to provide one. A trophy will be awarded to 1st place. Teams may warm up on the practice field and then a short warm-up on the game field before the match. If the weather conditions are not favorable and our field saturated with water, we may cancel the 5th/6th and 3rd/4th place games and only play the championship after pool play.
